

Hello good souls!

It's time to register for our Joyful Noise Youth Music Camp, Monday through Friday, June 10-14 at St. Paul Lutheran Church! We are hoping to invite all youth from our area who are in 2nd grade through Junior High age. Each day begins at 10 a.m. learning new and exciting music! We will explore singing in harmony with a wide variety of fun music. We will continue with instrumental fun on Ukulele and percussion, featuring the cajon. After a third block of time spent in musical artwork, we will conclude our time together at 1pm. For those able to attend, we will sing our songs in church on June 16, at our 9:30 a.m. service.

Please pick up a registration form to turn into the church office. We are asking for a \$25 donation to cover costs. Please make check payable to St. Paul Lutheran Church. I hope you can join us for this community of fun and talented students with our professional teaching artists. Please feel free to call the church office with any questions: (714) 879-8290.

God's peace,
Chris Winn
Music Director
