

In-person Worship Services

Sundays at 9:00 and 11:00 a.m.

Based on recent CDC guidance, rising local COVID numbers, and advice and counsel from several members of the medical community, the Session has decided to resume some pandemic protocols. These decisions were made prayerfully, with much discussion, and a focus on how to best love and serve one another, especially our children who are not able to be vaccinated.

- ◆ Beginning Sunday, August 22, we will return to social distancing in the sanctuary.
- ◆ Masks are encouraged at the 9:00 am service and required at the 11:00 am service.
- ◆ Choir members, usher captains and greeters will wear masks. Deacons will increase cleaning between the services.
- ◆ All nursery volunteers and children and youth Sunday School teachers should have a COVID vaccination and wear a mask.
- ◆ Youth and adults are encouraged to wear a mask in Sunday School, but it is not required.
- ◆ Nursery is offered during both worship services and the Sunday School hour. Families are asked to sign up for childcare on the church website if they are planning to attend.

For those unable or uncomfortable attending in-person worship, the services are live-streamed on the church YouTube channel (search *First ARP Church Rock Hill*).

These procedures will be monitored monthly and may be updated or changed by the Session based on current conditions.
