

In-person Worship Services Sunday at 9:00 and 11:00 a.m.

What a joy and privilege to be able to worship in-person together!

Based on the recent CDC guidance and low local COVID rate, the Session has decided to resume some of our pre-pandemic procedures in worship. We use hymnbooks, children are invited forward during the children's message, and masks are optional for fully vaccinated attendees. Those who are not vaccinated are still encouraged to wear a mask for their own safety, but masks are not required at either worship service.

Those uncomfortable being inside the sanctuary and/or families with young children are welcome to sit in the Rogers room to participate in worship via live-stream TV. **Masks are required in the Rogers Room.**

Nursery is offered during both worship services and the Sunday School hour. Families are asked to sign up by Wednesday if they are planning to attend at www.firstarp.org/nursery-registration

For those unable to attend, the 11:00 service will be LIVE STREAMED on the church YouTube channel (First ARP Rock Hill). If you are unable to watch the service live, you can access it later.
