March 17, 2020

Dear Faith Family,

President Trump has asked that, in order to aggressively reduce the transmission of the Coronavirus, Americans limit gatherings to no more than 10 people. Despite the hardship this brings, at Faith Assembly, we are committed to everything that's in the best interest of our community.

**Faith Assembly:** Until further notice, all services and Faith Group meetings are suspended. Sunday services will be broadcast online at our website: [ivfaithassembly.org](http://ivfaithassembly.org). We will also be posting our ministry videos to Facebook.

We plan on providing ministry content for kids, youth, and young adults as well. Many Faith Group leaders will be connecting with their group online as well. Check with your group leader for more details.

**Faith Academy** is on hiatus as well. We are following the same schedule as the Imperial School District. Teachers are working with parents and students to continue their education through technology and by homework. At this time, we plan to re-open the school on Monday April 20<sup>th</sup>.

**It's A Small World Preschool remains open!** Our preschool families are the heart of our Valley. Many are employed in law enforcement and medical vocations and are required to report to work. We are abiding by the new mandates by dividing our little ones into groups of 9 with one teacher. Each group has a different class. We plan to continue to serve our preschool's families in this way as long as allowed.

**Finances:** In this time of hardship, we're praying for your finances. We thank you in advance for your continued financial commitment to our church, missionaries, teachers, and staff, and their on-going work in the ministry. Your tithes and missions giving, as well as tuition, is vital to our work. Especially at times like this, our staff is working harder than ever to touch lives for Jesus.

**Faith Family:** This is the time to powerfully share the faith, hope, and love that we have in Christ. Let's continue to fervently pray for all those impacted by the crisis. With laser sharp focus, as God meets your needs, diligently seek to help others around you.

Matthew 5:16 "Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven."

Cindy and I, along with our whole staff, leadership, and board are praying for you. All things are not good, especially this virus and its economic impact, but God is so good that He "causes all things to work together for good!" (Romans 8:28) We may not know what it will look like, but we know that God is at work, especially now. Jesus is Lord!

Love-God Love-People. Love-Grow-Connect-Serve-Share!

God bless you, Pastor Dan
