

Dear Parents and Guardians:

Thank you for your interest in Warren Woods Christian School as an educational option for your child. The possibility of serving your child and your family is very exciting! Whether I have spoken to you on the phone, met you in person, given you a tour of our facility, or you have attended one of our Community Open Houses, you have made the first step to a very important decision concerning your child's education.

Warren Woods Christian School exists to support the family unit in the upbringing of their children by providing a solid academic education in a distinctively Christian environment. As parents and school work together, I, our teachers and the staff at Warren Woods Christian School take our motto very seriously as we "Educate, Nurture and Develop Christian Leaders" from a Biblical worldview. Christian teachers will daily stand in front of your child to teach and educate him or her not only in academics, but as a Godly example in all situations. Your child will be nurtured and shown compassion academically and spiritually. As we prepare our students for the future, they will be shaped for leadership and service to others, as well as being prepared through our strong academic program for their future education.

Your child's acceptance to our school is based on the following criteria:

- ◆ Your desire for your child to experience a Christ-centered education
- ◆ Your agreement with the enclosed Statement of Faith
- ◆ All enclosed paperwork completed and turned in with Registration Fee
- ◆ Previous school Administrator's Recommendation
- ◆ Family interview with administration
- ◆ Tuition Payment Plan signed and submitted
- ◆ Appropriate development and academic progress determined by testing
- ◆ Online WWCS Student Handbook Policy Agreement signed and turned in

You will find everything you need in this packet of information to help you make this important decision. If you would like to observe a classroom, let your child visit for the day, or need any additional information, please call the school office at (586) 772-8787 and I would be more than happy to speak with you. I understand the importance of this decision and will do whatever I can to help you in any way.

Again, thank you for your interest in Warren Woods Christian School.

Serving Him and you,

Beth Denhart
Administrator
