

Parents as Partners Volunteer Requirements 2018-2019

Parents,

Parents as Partners is a program that Warren Woods Christian School has implemented to give our school parents and families the opportunity to partner with school staff in daily activities and/or special programs to enhance your child's school experience. If parents are unable to volunteer the required 20 hours per family, there is the option of paying \$200.00 by October 5, 2018. If you choose to opt out of volunteering, you will be billed \$200.00. **Please return this form with your registration paperwork.**

Listed below are the many different activities and needs that WWCS parents and family members can volunteer for. In order to accommodate working parents to be able to fulfill the 20 required hours, these opportunities are not just day-time hours. Please check **all** areas that you would be willing to volunteer for. The attached sheet gives a description of most of the listed opportunities. During the school year, the various school and classroom activities will also provide opportunities for volunteering.

The family of _____ (student names) has chosen to

_____ **OPT OUT** of the Parents as Partners hours. It is understood that \$200.00 will be paid by October 5, 2018. If payment is not received, it will be automatically added to our 2018-2019 tuition costs.

_____ **PARTICIPATE** with 20 hours. It is understood, however, that if 20 hours have not been accumulated by the end of the school year, we will be billed and my students' report card will be held until payment is made.
