

Trip Insurance Information

This explains how to obtain your insurance for your time with us at NLCH. You can apply online at http://www.gninsurance.com/short_term.asp

We recommend applying for the "**GNI Custom Outreach Travel Medical Team Insurance**". Once you have the insurance, please give a copy of your insurance card to your team leader and email a copy to teams@nlai.org and maldana@nlai.org.

Mention you are visiting New Life Children's Home (New Life Advance International) in Guatemala and that you need short-term emergency medical insurance that includes med-evacuation back to the US.

If you have problems applying online, call Good Neighbor Insurance: 866.636.9100.
