

Education Award Guidelines

Our objective is to show support and encouragement to students who would like to further their Christian Education.

1. Applications for awards are open to students who are members of our church, or for dependent students whose parents are members of our church.
2. While we encourage Anabaptist studies, we would consider applications from students registered in other schools with Christian College accreditation. The applicant should be registered in an approved Christian secondary/post secondary institution or discipleship program affiliated with a Christian post- secondary institution.
3. Application for an award can be made once during each year of attendance. A maximum of six awards can be awarded to any one person (maximum two awards for secondary education and a maximum of four awards for post-secondary education).
4. A maximum award of \$400 per year for secondary education, per applicant could be available and a maximum award of \$750 per year for post-secondary education, per applicant could be available.
5. The award will be paid to the applicant's school account at the date of registration. (One semester is equivalent to half the award.)
6. The award amount will be pro-rated for part-time students. (Full-time is considered four or more courses per semester.)
7. Awards will be distributed on a first come, first serve basis each calendar year based on the allocated budget amounts.
8. Special cases will be considered by the Formation Committee.
