Changes to church policies and procedures concerning administration of the Phelps Fund, public access to the Constitution and Bylaws, and the physical address of the mission house are to be presented at the Church Conference on November 8. The updates are available in the Welcome Center, the Fellowship Center, first floor of the East Building, and the church office. The packet will contain both the current wording and the proposed replacement. The Lord's Supper will be observed during Church Conference and a Benevolence Offering will be collected.
