**Explore the Bible: Adults** helps participants grow in their love for Scripture personally and in their study groups, gain new knowledge about what the Bible teaches, develop biblical disciplines, and internalize the Word in a way that impacts their daily life.

**The Gospel Project® for Adults** takes men and women on a chronological, Christ-centered journey through the storyline of Scripture. Each week, participants will encounter God's plan of redemption in Scripture through the study of Bible narrative, the essential doctrines of the faith, and the call to join in God's mission locally and around the world.

**MasterWork - Essential Messages from God's Servants**  
Challenging, Christ-centered Bible study material along with a modern perspective from today's most respected Christian leaders. Tony Evans, Beth Moore, Charles Stanley, Gary Chapman, and others draw learners to a deeper level of involvement through daily personal study, weekly group interaction, and key life messages.
