

SEPTEMBER 2026

Dear First Baptist Family,

"I don't know the names of lots of folks on Sunday mornings." I hear some variation of this statement more and more frequently. On the one hand, it's a wonderful problem to have! As more folks come, it gets harder to keep up with the new names and faces. On the other hand, there are some very simple steps we can take to help with this. One of these steps is returning to the greeting time during the Sunday morning worship service. We've done this and we hope it is an encouragement to you all!

Another step is to join the increasing number of churches that are moving toward name tags on Sunday mornings. The idea is simple: Encourage everybody to wear name tags in an effort to help us all get to know each other better! This is what we might call a low-effort/high-impact step. It's not a big deal to put on a name tag, but it can really help us build a culture of hospitality.

Of course, we're a church, not a cult, so we're not going to try to mandate name tags. So let me just say this: I'm going to wear a name tag from here on out. Seems like a simple thing to do that might help others. Maybe you'd like to join me in doing this as well?

Here's how this is going to work: Starting September 6, we will have lanyards, blank name cards, and Sharpies in each of the Adult Sunday School classes as well as for the youth. Additional name-tag stations will be set up in the Welcome Center, at the Welcome Desk in the foyer of the sanctuary, and on a table by the side door of the sanctuary.

So join in! Be sure to write your first name nice and big so folks can see it.

Little steps. Thoughtful steps. This is how we move toward being an authentic family.

God bless!

Pastor Wyman
