FRIENDS + FANATICS UPDATE

A Year for the Books

As we look toward 2019 and reflect on this past year, we are nothing more than thankful. We served hundreds of adults with developmental disabilities through our 56th summer of Shepherds Camp. We welcomed a new program manager and year-round head nurse. We began The Launch Initiative, a gap year program for graduated high school students, fusing our unique ministry with their personalized trajectories. And, we announced the expansion of Shepherds Camp through our new Fall, Winter, and Spring sessions.

Because You Gave...

Just taking a quick look around camp, you will see all the new enhancements that have taken place. Construction was completed on the Lakeside Patio, providing accessibility to our waterfront. The entire lakefront area was regraded, increasing the ease at which campers enter the water.

All across camp, the biggest enhancements this year have been made by YOU, our Friends and Fanatics. Because you gave, we have given more scholarships to Shepherds Campers than ever before. Because you gave, we have purchased two fiberglass extension ladders, improving the safety of our maintenance staff and volunteers. Because you gave, our kitchen's "beyond retirement age" refrigerator has been replaced with a new two-door glass front commercial refrigerator. Because you gave, we have purchased a new aluminum break, whose impact will be seen on every roofing, siding, window, and gutter project in our future. Because you gave, our accessible Lakeside Patio has durable, heavy duty, comfortable furniture. Because you gave, campers in wheelchairs have enhanced mobility on the new custom-built dual-wheelchair golf cart. Because you gave, we were able to purchase emergency oxygen equipment for our nurses' station, increasing our high quality of medical care.

What's the Goal?

We began our Friends & Fanatics push at the end of 2017, and as we close in on one year, we are getting closer to our goal: 1,000 friends. From the beginning, we have asked "FRIENDS" of Arrowhead and Shepherds Camp to invest \$100+ and "FANATICS" of Arrowhead and Shepherds Camp to invest \$1,000+ toward the furthering of this ministry.

Want to be our Friend (Again)?

We need your help to reach our goal of 1,000 friends. Your "friendship" of \$100+ or "fanatic-ship" of \$1,000+ brings us closer, step-by-step. Your investment will have a great impact on everyone at Arrowhead and Shepherds Camp this year and many years beyond, as you have just read a small part of the impact already made. Please send your tax-deductible investment to camp with "friends and fanatics" in the memo, or, invest online at www.arrowheadbiblecamp.org/invest.

Thank you for your generous support.
We are grateful to partner with you.

From Camp,

Ben Myers
Camp Director
