

1,000 FRIENDS

AND A BUNCH OF FANATICS!

6 DECADES!

A few weeks ago a car with a Texas license plate pulled in. Smiles and excitement came pouring out of the car as two alumni from the 50's eagerly stretched their legs and began telling stories of "The Tabernacle", the old bunk house at the lake, the guest speakers and buildings that used to be here and there around camp. Their experience at Arrowhead has stayed with them for over 60 years!

72 YEARS!

Tens of thousands of people have come through our doors over the past seven decades. Many doors are new, some have moved and others are long gone. God has been doing great things since the doors first opened back in 1945. He has used Arrowhead to make a tremendous IMPACT... changing hearts, transforming lives, and saving people. We believe God will continue to use Arrowhead to have a big impact... prayerfully over the next seven decades.

1,000 FRIENDS!

As 2017 draws to a close we have begun a new initiative that will build that bigger IMPACT across the board at Arrowhead. It's about taking the impact we are already having and growing it exponentially. It's called Friends & Fanatics!

We invite you to be a friend by investing \$100 or become a fanatic by investing \$1,000. Our goal is to make 1,000 new friends by the end of the year! We already have old friends, new friends and some fanatics. Will you join them and be a part of the impact of Arrowhead?

4 IMPACT PILLARS

Check out the IMPACT info on the back - we are passionate about serving with excellence through our Shepherds Camp program, The James Project, partnering with guest groups and training the next generation of leaders. Your investment is going to build a even bigger impact!

You can easily give online with a one time gift or monthly giving at www.friendsandfanatics.org.

We would love to have you visit camp in person or visit us on our website and camp blog (www.abccintents.blogspot.com). Thank you in advance for investing in Arrowhead! We are excited to call you a friend and would be thrilled to proclaim you a fanatic.
