

for the sake
of OTHERS

As we humbly and intentionally seek to serve those around us, God's Spirit is at work in us.

What is your mission in life? What are you living for? This world continuously invites you to make your life all about... YOU! But Jesus invites you to make your life about something far greater than yourself. In fact, you are called to live the way Jesus died! Think about it. How did Jesus die? He died pouring it out for the sake of others. That is what we mean when we say that we are invited to walk the journey outward. It is for the sake of others. But how?

Though we're prone to get excited about the big adventures, we notice that often in God's Kingdom the key to serving is small things done with great love. Small things like encouraging the person in the cube next to you at work, emptying the dishwasher before your roommate gets to it, or simply taking the time to listen to someone in pain. We want to be the hands and feet of Jesus in our world, instead of just being his mouth.

The awesome thing is that as we humbly and intentionally seek to serve those around us, God's Spirit is at work in us and we become more alive in God.

Consider these ways to walk the journey outward... *for the sake of others*. Most of these contacts are Open Door attenders inviting others into an opportunity.
