The Governing Board of Open Door is grateful to announce that **Gregg Bergman** will be joining Open Door as Interim Staff Pastor for the next three to six months.

For the past 22 years Gregg and his wife Nancy lived in Madison, Wisconsin, where Gregg recently retired from his role as Executive Pastor at Blackhawk Church. Gregg and Nancy are originally from Minnesota and just relocated back to the Twin Cities. In their words they are very excited "to be coming home."

The Bergmans met while attending college in Vancouver, British Columbia. They have a daughter who lives in Minnetonka and a son who lives in Portland, Oregon. They also have 5 grandchildren. Gregg and Nancy enjoy reading, travel and spending time outdoors, especially hiking and biking.

Gregg has a Bachelor's degree in Business and a Masters degree in Ministry. Gregg's focus will primarily be working with the Lead Team and Staff as they create a short-term (12 to 18 month) strategic ministry plan. Gregg will also use his gifts of coaching, mentoring, and shepherding to bring care and support to the Open Door staff.
