

Ministering to Older Persons During Covid19

- **Identify the older persons in your life.**
- **Commit to giving one older person a call to “catch up” – put it on your calendar as a weekly appointment for a month**
- **Send a card or letter**
- **Send flowers or a small “thinking of you” gift**
- **With permission – create art with sidewalk chalk on their driveway or sidewalk**
- **Do a “window visit” where you both are on the phone and can talk together through a window**
- **Connect with them, and then connect again**
