We live in a culture that defines being rich as having the most money and the most things - no matter what it takes! But the bible defines being rich very differently. As we continue in our *Margin* series, today in part 2 we're going to discover how to have financial margin, so we can invest in the things that matter the most

TO OUR GUESTS

Welcome to Crossroads Community Church! We are thrilled that you're joining us, and we do not believe it's a coincidence that you're here today. We invite you to fill out the connect card in this bulletin with your information as well as any prayer requests you may have. **If today is your first time visiting us, we invite you to turn in your connect card at the Connection Center in the lobby to receive a free welcome gift! (*one per family please)*

We also invite you to begin connecting with people and ministries at Crossroads. Stick around after the service for a time of fellowship – it's a great chance to meet new people at Crossroads!
