Summer Camp Registration

Everyone will soon receive a summer camp registration form in your child's cubby. If you are needing summer childcare, please remember that you need to register. We do not automatically roll our current students into summer care. You can register for the entire summer, or just pick whatever weeks you are interested.

The scheduling options and pricing do not change during our summer schedule. The only thing additional is the camp only option which is five days a week from 8:30-11:45. If you have any questions about camp, please call or stop into the office.
