

## What are Life Groups?

---

Did you know that you were designed to thrive in community with other believers and experience the truth that **Life is Better Together**? Life Groups are the friends you grow, laugh and serve with. To help you reach your full potential, we challenge every person to do life together with others in a Life Group.

Life Groups are small groups in which people connect and do life together, build friendships, learn God's Word, serve and participate in missions and outreach. This makes Life Groups the perfect way for Harmony to stay focused on **Sharing Hope Together**.

All of our Life Groups spend time in God's Word discovering how God's truth applies and is lived out in every day life. This is where real, life-enriching relationships form and develop.

Each group is challenged to study the Bible regularly, hang-out together monthly, and serve together quarterly.

## When and Where do Life Groups Meet?

---

Most Groups meet every other week. Groups meet on campus, in homes, coffee shops, restaurants, and other places in the community, all throughout the week. We have groups in Avon, Brownsburg, Danville, Indianapolis, and Mooresville.

## Life Groups

---
