

# BABIES/CRAWLERS:

## WHO IS WATCHING MY CHILD?

Loving, caring volunteers with approved background check who enjoy serving our little ones.

## WHICH ROOM WILL MY CHILD ATTEND?

CATERPILLAR ROOM: 6 weeks old until child is walking

\*will promote to Butterfly Room once able to walk steadily

## WHAT HAPPENS IN THE ROOM?

Our volunteers care for the little ones and engage with them in age-appropriate activities (rocking, holding, reading books, playing with toys, etc.)

## WHERE IS THE CATERPILLAR ROOM?

We use the former J. Crew storefront at the Louisiana Boardwalk.

Our rooms are cleaned and toys are sanitized before kids arrive.

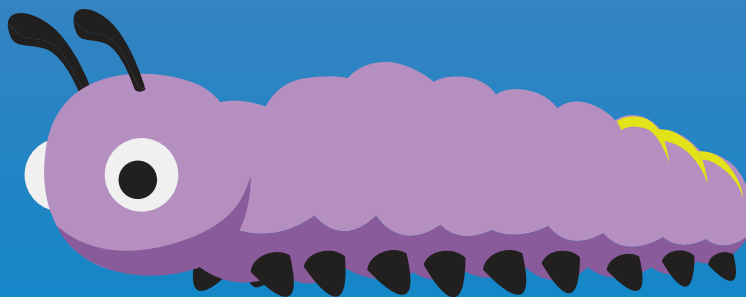

Safety is our number one priority. We use play panels to provide an enclosed, safe environment for our babies.

## WHEN?

Rooms are open for drop-off 15 minutes prior to the start of each service. For your convenience there are check-in kiosks located in all of the Simple Kid areas. Check-in volunteers are available if you have questions.

## WHAT DO I NEED TO BRING?

Bring a bottle and any other security item needed to soothe your child, along with extra diapers and a change of clothes. Please label your bag, bottles, cups, etc. (can print extra tags at check-in).
