

Child Dedication Party

No one will have more influence on your child than YOU! We believe that what happens at home is more important than what happens at church. It is our hope that we can partner with you from the very beginning. We want to be your biggest fans, your strongest supporters, and your trusted guides as you raise your child to know what it means to have a personal relationship with Jesus Christ.

Child Dedication is more than an event. It is an opportunity for you to take some time at the beginning of your journey as a parent to really think about what will matter the most in the life of your child; to really talk together and decide what you value and what you can do today that will have the greatest impact on your child's future.

This event is not infant baptism. We believe that when people are old enough to understand what it means to put their faith and trust in Jesus Christ as their personal Savior, they should have the opportunity to make that choice for themselves. A preschooler is not able to understand sin, forgiveness, the sacrifice our Savior made for us, and what it means to have a personal relationship with Jesus Christ. **This event is about your commitment as a parent to lead your child into a growing relationship with Jesus Christ, so that as he gets older, you are able to guide him and to help him understand what that means.**

Parents who want to publicly declare their intentions to raise their infant/child with the opportunity to know God and establish a personal relationship with Christ.
