

OKMULGEE'S FIRST BAPTIST CHURCH

First at First

*Come
together*

This Sunday morning for Worship

Just think in just a few days we will get to gather together again to worship the Lord with one another. How exciting!

As we turn our attention to "Returning to Church" there are some things for us to consider.

We do not believe that returning to church is like hitting the pause button on a movie. Just hit the button and return to where you were, doing what you have done. We believe that God wants us to grow and learn from these events.

Our Return to church is divided into two parts—Worship and Small groups. We will begin the process of returning to worship this Sunday, May 31. Small groups will come later. There will be no small groups of any kind at this point—only worship. For parents with children there will be family centers along the wall under the balcony with materials for your children to do during worship.

We will observe suggested social distancing guidelines.

*Our building will open at 10:10 AM each Sunday. Only the West and North doors will be open.

*Entry halls and foyer will be marked to remind us of appropriate distancing...

*Seating will be divided in small grouping rows with appropriate spacing between.

*There will be greeters at each door to open and close doors to minimize contact.

*We will use camp rules—NO PDA!!! No Kisses, No Hugs, No Hand Shakes

It is very important for all of us to observe these distancing rules. You may be comfortable with a handshake or a hug, but the person you approach may not be. Let's not put each other in uncomfortable positions. At this time let's let our interaction be verbal only, time will tell us when we can change.

*No Bulletins

*No Offering Plates—Offering Baskets will be at Back of Auditorium by Doors.

*There will be Sanitations stations with Hand Sanitizer available.

*Please feel free to wear a mask if desired.

*Everything—bathrooms, door handles, table tops, children's centers, etc. will be sanitized and cleaned before every service with germicidal.

Please, Please, do not come if you are vulnerable or do not feel well. Protect yourself and those around you. Continue to join us in Spirit by live-stream—we are one in the Spirit!!!
