

Trinity embarked on a new endeavor for its congregation and the greater Nashua community. The Treehouse Learning Center was a Christian center that freely shared God's love and values with the children and their parents.

Dorothy Rodriguez,  
Director

The Treehouse opened  
January 29, 2001.

The Treehouse cared for  
up to 74 children.

The  
Treehouse  
was a  
beautiful mix  
of children  
from  
Christian and  
unchurched  
families.
