*Mark Bolton  
Senior Pastor*

Most people don't come to church wanting to be alone; they come wanting to connect to other people. Here at New Community Church, connecting to others who want to follow God and make the world a better place is in our DNA.

Whether it's on a mission team going to serve one of our mission partners, or on a serving team that parks cars or prepares communion, you are going to feel that oneness with our community when you step up and volunteer.

To all who serve, thank you. *You* are what makes this such a special place. To all who are considering serving, join us in the joy of being the body of Christ. There is a place for you!

Welcome to the team!

Joyfully with you,
