### Part Three - Faith at Home

#### **PRAY:**

Pray for the needs represented in your group

Pray for the children and youth of our city, county and Air Force Base

Pray for the children and youth of LFC.

Talk it Over:

What stuck out to you about the teaching and what will you do differently since you heard the teaching?

#### **READ:**

Acts 20:22–24; Mark 16:15

What was Paul consumed with and what was he willing to do about it?

Do you sense an urgency from God in regards to sharing your faith and doing what God has called each Christian to do?

Why do you believe people find it difficult to share their faith with those who are most important to them? (marriage, family, friendships)

Did you grow up in a home where your parents / guardians shared their faith with you? Did you see them pray, serve, give with generosity to God and His work?

#### **TALK IT OVER:**

The journey toward full and complete intimacy with each other as a married couple is ultimately a spiritual journey.

There is no place for being spiritually passive in the home! (Work with that for a bit – how does spiritual passivity manifest itself and how can it be combatted?)

#### **READ:**

Judges 2:10

What can each person do to make sure this does not happen to the next generation?

What can LFC (all of us together) do to make sure this does not happen to the next generation?

Our Assignment in the home!

Deuteronomy 6:6–9

Unpack this as a group.

If time permits discuss the value of these questions in your home or in your most important relationships:

What is something you don't believe that you think I still believe?

What is something you believe that you don't think I believe?

When do you feel closest to God?

Do you see value in prayer and do you pray?

How are your biblical devotions coming along, can we do them together this week?

#### **PRAY:**

For those far away from God (first name only).
