

Dear *Southminster School* Parents

In an effort to better serve our parents, we are pleased to announce that hot, nutritious lunches can now be ordered using **Select Lunch**.

Select Lunch provides a convenient, web-based, lunch service for **Southminster School**. The meals are prepared and delivered hot each day by **Sami's Cafeteria**.

There is no cost to sign up to use the system. It just makes ordering easy and efficient. *Select Lunch* provides our school with a simple distribution report listing all children receiving meals, by classroom by day.

With *Select Lunch* ordering is...

- **Convenient:** Order from any location using a web browser. Check what you have ordered any time. Delete days not needed on-line (by midnight **Thursday** for the following week).
- **Simple:** Intuitive and easy-to-use; created with you in mind. *Select Lunch* accept most popular credit and debit cards [*Visa, Master Card, Discover, and American Express*]. You can review order history at any time, on-line
- **Secure:** No financial data is retained: transactions are processed using a secure connection.
- **Who Can Order:** Students in Preschool Pandas & Penguin classes, PreK 4-year-old classes – 5th grade
- **Other Information:** **There is no same day lunch or emergency lunch offered.**
- **Questions:** All questions/concerns should be directed to *Select Lunch* (see their website for email and phone number).

The cost per meal is only **\$4.85** for a standard or a vegetarian meal. You can order either standard or vegetarian each day. The menus are published conveniently on-line.

Orders must be placed by midnight **Thursday** for following week delivery. Menus for the following month are normally published by the 16th of each month.

To Sign up go to www.selectlunch.com at the top menu bar go to the sign in area and click the sign in button which will direct you to the "Ready to Get Started ?" area. Then type in **420000** as the registration key and then click on register. Then create your *Select Lunch* account by following the prompts for **parent personal information** not the student.

We are pleased to be able to offer this service to our busy parents.
