New Heights Middle

Dear Providence Baptist Church, Deacons, Congregation and Staff,
Thank you for welcoming me to your event and allowing me to set up a table as a representative of Sandhills Medical. From the moment I arrived, I felt at home. Your kindness, support, and hospitality made the experience truly special. It was a wonderful opportunity to connect with your church family and share resources that support our community's health. I am so grateful for the invitation, and the chance to be part of such a meaningful event. I hope to return next year and continue building a strong relationship with your congregation. Thank you again for your warm reception and generosity.

Sincerely,

Ashlon Baker,

Community Ambassador for Sandhills Medical
