WEEKLY INFORMATION PAGE

Deadline is the Wednesday of each Week.

Dear fellow members of St. John Lutheran Church,
My name is Lukas Hurtado. My parents are Beth
and Matthew, and my sister is Isabella. I am a
member here at St. John, a sophomore at BHS,
and actively involved in a variety of school
activities. I am also a Life Scout in Boy Scout
Troop 36, which is chartered by St. John. I am
currently working on my Eagle Scout project,
which is quite extensive. With permission from the
Columbarium Committee, one part of the project
will involve installing a water irrigation system
around the Columbarium to provide water for both
the shrubs and the surrounding grass. Another
phase will include planting grass and installing a
border around the existing shrubs. The final phase
of the project will be constructing a fence around
the dumpster area. As you can see, this is a
significant undertaking. However, with leadership,
the support and guidance of my family and troop,
and the help of fellow Scouts and friends, I believe
we can bring this project to life. I plan to begin
work in July and aim to have everything completed
before the school year starts. These projects will
be costly, and that is where I kindly ask for your
help. I am seeking financial support to make this
vision a reality as my completed Eagle Scout
project. If you would like to help offset the cost,
donations can be made payable to *St. John
Lutheran Church* and marked for "Eagle Scout
Project." Any funds raised beyond the project's
needs will remain with the church to support the
ongoing maintenance of the improvements. Your
prayers, encouragement, and financial support are
truly appreciated. Thank you for considering
helping me bring this project to completion.
Thank you, Lukas Hurtado
