Christmas Program and Party

On Thursday, December 18th we will have a short Christmas Program at 9:30am for families and friends to attend! The children will be dropped off in their classroom from 9am–9:15am; then family can go and grab a spot in the sanctuary. We will come down at 9:30am and sing a few Christmas songs. Then we will resume our school day with a party!

We will have lots of fun activities and games to play during our party! We would love to have a few parents help out if possible. Let us know if you would be able to help!

We will also be sending home small gifts that the children made for their parents.

We will be playing in the Bouncy Castle, so no need to send in winter gear!
