APRIL 2026 Newsletter

Dear Mixed Age Families,

I pray you have a beautiful spring break and Easter Celebration. Jesus is Risen! He is risen indeed! Alleluia!

Jaxson is God's Special Child for April. We will be working on lots of songs for our Spring Program. We will also review letters and work on small words, square shapes, the color blue, blueberries, Gentleness and weather. We will get outside as much as possible and observe all the new life that is part of spring.

Make sure to mark your calendars for our Spring Program on Tuesday, April 28, 2026 from 7:00pm to 8:00pm. Your whole family is invited including Grandmas and Grandpas. The more the merrier! We will sing songs and have our artwork displayed. We will also have a slideshow with pictures from the year as well as a snack afterward. It is a really special night.
