Spring Musical Information– On Tuesday, April 28th we will sing songs for our friends and family! Please drop off your child from 6:30-6:40pm and then find a seat in the sanctuary. We will sing songs and then the children will be dismissed to join their families for a picture slide show. After, there will be cookies and time to visit! It is such a wonderful night to hear our classes singing songs about the Fruit of the Spirit! Most children dress up, but please feel free to dress in comfortable clothing!
