DECEMBER 2026 NEWSLETTER

Wow…time is flying. It seems like every day is a special day in December. It is wonderful We are fortunate to be able to learn about and celebrate Jesus' Birth. Through all of it, we are singing lots of Christmas songs and learning the Christmas story each day.

We are going to have a Christmas party in our class on December 17 and December 18. We will play some games, do a project and make a snack together. Please watch for a sign up to bring some supplies for our snack. We are making fruit cones. It is an ice cream cone that we will scoop full of fruit and then put whipped cream on top.

There is NO gift exchange for our party.

Heads Up…

Mrs. Karen is going to be gone from December 9-15. I am going out to Rhode Island for my son's graduation from Navy Officer Candidate School.

Mrs. Jenny will be gone on Friday, December 11.

We have teachers lined up to be here and run class as normal while we are gone. I know some children do better knowing in advance if there is a change. Please let me know if you have any questions.
