

# MOUNT OLIVE CHRISTIAN PRESCHOOL

## CLASS OFFERINGS • 2026-2027

Our preschool classrooms are designed for children to use their natural desire to explore the world around them through a play-based approach to learning. This child-initiated, teacher-guided curriculum is implemented through a variety of interest areas such as art, sensory, dramatic play, math, science, and writing. Learning will be paired with Bible stories, Bible verses and prayer, along with visits to the playground/outdoor nature center, large-motor room, and the Discovery science room.

### 3 YEAR OLDS

*Class size will be limited to 14 students • Must be 3 by September 1  
All students must be independently toilet-trained*

We aim to create curious learners and problem solvers. Children will have ample time to explore and create at learning centers set up throughout the room. Activities change regularly and are designed to help strengthen small and large motor skills, social and emotional skills, independence and self-care, creativity, language development, and number sense. We especially love music, art, storytelling, Jesus time, and dramatic play. Full day classes will have rest time after lunch, followed by additional center time and one-on-one/small group enrichment activities. For half-day students, once you feel your child is ready for full day you may extend their day to a full-day.
