

PHOTO RELEASE FORM

Hello Families!

During the school year we take photographs of school activities involving students; this is a way to stay connected with families, or to offer a peek to others who are interested in our world here at Mount Olive.

These photos may be published through our website, the FAMLY app, newsletter, and other printed media.

Please fill out this form and return to your child's teacher.

NO STUDENT'S NAMES WILL EVER BE USED WITH THE PHOTOS.

I understand that I may NOT download any GROUP photos from the FAMLY app (but can download photos that are of my child ONLY).
