Dear Parents,

We welcome your child to our School and we hope his/her learning experience here will be a happy, wholesome one. As parents you are cordially invited to visit us, ask questions and make suggestions. The best assurance for the success of your child's learning experience is the close cooperation and understanding of parents and staff.

Our program has the goal of helping children in their mental, emotional, social, physical and spiritual development. This handbook has been prepared in order that you may know the policies and better understand the program as we work together to help your child through a successful year in our school.

We shall strive to give your child the loving care and guidance children need in these formative years.

Sincerely,

April Reynolds  
Director

***Train up a child in the way he should go and  
when he is old he will not  
depart from it.***

PROVERBS 22:6

## ***Our Teachers' Prayer***

*Lord, let me be just what they need.  
If they need someone to trust, let me be trustworthy.  
If they need sympathy, let me sympathize.  
If they need love, (and they do need love),  
let me love, in full measure.  
Let me not anger easily, Lord, but let me be just.  
Permit my justice to be tempered in your mercy.  
When I stand before them, Lord, let me look strong  
and good and honest and loving.  
And let me be as strong and good and honest and  
loving as I look to them.  
Help me to counsel the anxious, crack the covering of the shy,  
temper the rambunctious with a gentle attitude.  
Permit me to teach only the truth.  
Help me to inspire them so that learning  
will not cease at the classroom door.  
Let the lessons they learn make their lives fruitful and happy.  
And, Lord, let me bring them to You.  
Teach them through me to love You.  
Finally, permit me to learn the lessons **they teach me.**  
Amen.*

## **THE PURPOSE OF WEECARE PRESCHOOL & KINDERGARTEN**

WEECARE PRESCHOOL & KINDERGARTEN is affiliated with Fall Creek Church. The main purpose of this program is to extend the purpose of the church which is stated in Article III of the Constitution. Our purpose is to witness, so that men, women, and children may have the opportunity to become God's children through Jesus Christ. WEECare is ministry in action. The teachers are Christian people showing the example of Jesus through teaching and caring for the needs of boys and girls. We extend our services to the members of our own church, other members of the body of Christ in the community, as well as to families who do not have a church home.

## **THE PHILOSOPHY OF WEECARE**

In Scripture children are an integral part of the world God has created and is redeeming through Jesus Christ. The Old Testament straightforwardly declares that children are a blessing. Jesus was the child prophesied in Isaiah that would shape the future and prove a blessing to all humanity. With these biblical principles in mind it is our task to communicate love and acceptance to the children at the School. We believe we are to help the child internalize a sense of innate worth under God. Our primary concern is to provide an environment and experiences to help the children grow in the areas of fine motor, gross motor, cognitive, social, emotional and spiritual development. The philosophy affirmed by the program is that preschool and school children learn best through hands on, experimentation, and play. Preschoolers attain knowledge best by doing, not by being told. We believe that allowing every individual child to progress at their pace is crucial. We believe that the staff needs to be responsive to each child's individual needs and meet each child at the level of development where they are on a daily basis.
