

## Missions/Outreach Ministry

*Jesus said, "Go and Make Disciples of All Nations" (Matthew 28:19).*

FBC Islands takes this charge seriously and we are dedicated to sharing the Good News of Jesus to our community and around the world and making Disciples who make Disciples.

### LOCAL

Visitation Ministry - Every Monday night, small teams of 2 or 3 visit guests of our church, people who are new in the community, and those in our church in need of ministry.

Backpack Buddies - We help provide food throughout the school year for students at Marshpoint Elementary who would go otherwise hungry on the weekend.

Good News Club - This after school program for 4th-5th graders lets us teach character through stories, music, and skits.

Trunk or Treat - This church-wide outreach impacts families in our community and give us the opportunity to share the Good News of Jesus.

### GLOBAL

Philippines - For the past thirteen years we have sent mission teams to the Aurora Province. We have seen several churches begin and continue to grow through the spread of the Gospel and the of new believers who are being discipled.

Cuba - We were blessed to send our first mission team to Cuba in 2016 where we had the opportunity to encourage, train, and serve alongside the leadership of Gelabert Baptist Church as they construct a building to reach their community. We have now sent two more teams and plan to send our fourth in September.
