

Sometimes life seems to bring more than we can handle, but God never intended for us to do it all on our own. At FBC Islands we have Stephen Ministers who have been through over 50 hours of intensive training equipping them to provide distinctively Christian care for those going through times of crisis and change.

If you know someone who could benefit from this ministry or if you would like more information about becoming a Stephen Minister yourself, contact our Equipping Pastor [Jason Gamble](#) or call the church office today (912.897.2142).
