OUR FINANCIAL COMMITMENT TO TRINITY IN 2022

Trinity relies solely on the generous financial support of its members and friends like you! Unlike many other city parishes, Trinity does not have an endowment or significant invested funds to support our ministries.

As you consider how important Trinity is to your own life, and what an impact Trinity has on the lives of our neighbors in need, please prayerfully consider your financial support of our work together, remembering that it is only because of the support of people like you that we are able to step confidently into our future and do the work God has called us to do. If you can, we particularly ask that you consider increasing your giving over last year's by 5% to allow Trinity to continue to grow and thrive! No matter what amount you are able to pledge, please know how grateful we are!

If your financial circumstances change during the year, we certainly understand if you need to increase or decrease your support.

My household's pledge of financial support for Trinity in the year 2022 is: \$ _____
... which we will give (check one): weekly monthly annually other
... for a total of \$ _____ for the year

OUR COMMITMENT OF TIME AND TALENT

As followers of Jesus, each of us is called to offer ourselves in service to our neighbors. In addition to pledging your financial resources to support our work, please prayerfully discern how you might offer your time and your talents to the transformative, life-giving ministries we do here at Trinity. Please indicate all areas of ministry you are already engaged in, as well as those you and the members of your household would be interested in participating in.
