Hockey Rock! What do 54 Hockey Rockers do in the rain? Play basketball and nine square, make name tags, and eat cookies and popsicles in the rain! Laura Bosch talked to us about our inheritance, and 21 Hockey Rockers were first-timers!

When things change, God is with you. Thank you to everyone who made the first night of SBC a success! We kicked off the season with a Bible lesson about how Daniel and his friends were taken captive and brought to Babylon. Then as the night went on we planted our own tomato plants, played lots of outdoor activities including basketball, and enjoyed lots of cookies. What a great way to start the season!

Recently you received a letter from the **Holland Division of Bible League International Volunteers**. Please read this letter carefully and prayerfully consider supporting their "Bring God's Word to Latin America" project to provide Bibles, biblical resources, and training to waiting believers all across Latin America. Please respond on or before July 15. Together we can strive to end the global Bible famine, help people meet Jesus and change lives for Him! Thank you for making an eternal difference. Carolyn Rietman and Nancy Roelofs.

Mark your calendars for the **Heights of Hope 5K and 1.5 Mile** on Thursday, August 16, at 6:30pm! Come join our community for an evening of running/walking, a pig roast and ice cream and great door prizes! To register or volunteer, please visit www.heightsofhope.com

Heights of Hope is looking for new or gently used children's and young adult books for Brain Boost (their summer tutoring program) and their neighborhood Little Free Libraries. Do you have any you'd like to donate? Please drop them off in the box under the office window.

Collecting Pop Cans! The Youth Group is still collecting pop cans! Please help them by bringing in your rinsed cans.

Church Assistance Program. Technology has improved life for many, but, on the flip side, many Americans are reporting the 24/7 access to news and social media have made them feel more stressed out. More nerve-wracking yet is when technology doesn't work. If you'd like some help developing new coping strategies for balancing your technology use and stress, our CAP can help. Call 616-455-6210 or 1-800-442-0809 for free and confidential support.
