

## Timeline Plan for Brooklet UMC Reopening.

### Office

- We will reopen Monday, June 22 with limited hours. Rosanna will be in the office Monday – Wednesday 9 – 1 or we can meet by appointment.

### Church Facilities

Will reopen Sunday, June 21, for limited uses, as defined below:

- Sunday School classes and other small groups may use the facilities at different times throughout the week with the permission of the pastor and the scheduling through Rosanna
- We will be more aggressive in monitoring our cleaning and coming in after a group uses a space to ensure that group has cleaned it
- Youth would meet in July, if parents are comfortable and in small groups
- Children's activities will be restricted to online activities until further notice

### Worship Services

- There are several options for worship, in-person socially distanced traditional (8:30) and modern (11:00) worship services that will be different in form due to COVID 19 guidelines. For those not ready for in-person worship we still recommend small groups and house church meetings worshipping together through our online options, or simply remaining online until we can worship as we once did.

### Brooklet UMC Preschool

- BUMP is projected to reopen July 6<sup>th</sup>
- Registration is taking place currently

We will continue to be the church during this pandemic as we reach out in service and grow together in our faith.

I miss all of you greatly! I'm proud to be your pastor and I'm proud of the way our church family has endured during this pandemic
