FEBRUARY MISSION FOCUS

Building the Beloved Community

"Alive in Christ together, the Susquehanna Conference will embody the Beloved Community of disciple-making congregations." (Vision Statement, Susquehanna Conference)

Building the Beloved Community Fund (BBCF) helps our clergy, laity, our churches, and our community embody the beloved community as we confront and work for racial justice.

Contributions to the BBCF will provide valuable tools and resources for the work of our Conference Committee on Inclusiveness as well as The Call to Action of the Northeastern Jurisdiction of the UMC.

We are better together and will be able to make great strides as we work together to dismantle and eradicate racism in our communities. Gifts to BBCF can be made at any time. Please note BBCF on the memo line of your check.
