MARCH MISSION FOCUS Community CARES

In 2010, CARES expanded its services to meet the growing needs of the homeless or near homelessness community. A Resource Center was developed and constructed at 50 W. Penn Street to meet the growing needs of the residents. The Center provides a place for CARES residents to shower, do laundry, receive mail, cook, and rest when they are ill. It also provides a place to meet with Supportive Service Coordinators to work towards housing independence.
