JULY MISSION FOCUS

Getting to know the Susquehanna Conference and the United Methodist Church

The Susquehanna Conference is made up of five districts, each led by a District Superintendent who supports local churches and pastors. We are part of the River Valley District, served by Rev. Gary Weaver, with the district office located in Mechanicsburg. Together, our conference is embracing this year's theme: **"RISE UP! Love Boldly!"** - a call to deepen our love for Christ and our neighbors through faithful discipleship.

Sunday Altar Flower Sponsorships

We invite you to place flowers in the Sanctuary in memory or honor of a loved one or in honor of a special occasion. If you'd like to sponsor the flowers during Sunday worship, please contact the office or click [HERE](#).
