JULY MISSION FOCUS

Getting to know the Susquehanna Conference and the United Methodist Church

One of the greatest strengths of the Susquehanna Conference is the wide variety of ministries and resources available to support local churches. From Discovery Place's free Bible studies and films to ministries focused on children, youth, mental health, disabilities, camping, and United Women in Faith, there are opportunities for every congregation to grow and serve. Together, these shared ministries help equip us to make a greater impact than any one church could accomplish alone.

Sunday Altar Flower Sponsorships

We invite you to place flowers in the Sanctuary in memory or honor of a loved one or in honor of a special occasion. If you'd like to sponsor the flowers during Sunday worship, please contact the office or click [HERE](#).
