AUGUST MISSION FOCUS

Getting to know the Susquehanna Conference and the United Methodist Church

The Susquehanna Conference is guided by five core values that shape how we serve Christ together: connectional relationships, mutual support and care, shared ministries, faithful resilience, and relational leadership. These values remind us that we are stronger when we work together, support one another, and remain faithful through every season. By listening, encouraging, and serving alongside one another, we can make a greater impact for God's kingdom.

House of Grace Fundraiser

House of Grace will be holding a Chicken Skewer Fundraiser and T-Shirt Sale in the GUMC Parking Lot on Saturday, August 15th from 10:00am to 5:00pm.

Church Council Meeting

The next Church Council meeting will be on Thursday, August 20th at 6:30pm in the GUMC Parlor.
