AUGUST MISSION FOCUS

Getting to know the Susquehanna Conference and the United Methodist Church

The roots of the United Methodist Church stretch back nearly 300 years to a small group of students at Oxford University led by brothers John and Charles Wesley. Their passion for growing in faith and sharing the love of Christ sparked the Methodist movement, which spread to America in the 1760s. Early Methodist circuit riders traveled thousands of miles - often on horseback - to bring the Gospel to people wherever they lived. Their commitment to sharing God's love continues to inspire our mission today.

House of Grace Fundraiser

House of Grace will be holding a Chicken Skewer Fundraiser and T-Shirt Sale in the GUMC Parking Lot on Saturday, August 15th from 10:00am to 5:00pm.

The next Church Council meeting will be on Thursday, August 20th at 6:30pm in the GUMC Parlor.
