SEPTEMBER MISSION FOCUS

Amiracle4sure

Breaking the Cycle of Hopelessness - Mentoring is at the heart of Amiracle4sure's work. Through B.A.R.S. (Building Achievements and Raising Standards), individuals are encouraged to recognize their strengths, set goals, develop character, and discover their potential. Life coaching helps participants overcome barriers that have held them back and works to break the cycle of generational hopelessness in our community.

Church Council Meeting

The next Church Council meeting will be on Thursday, September 17th at 6:30pm in the GUMC Parlor.
