SEPTEMBER MISSION FOCUS Amiracle4sure

A Place to Call Home - Amiracle4sure is also responding to homelessness through the AMiracle Community, an outdoor living community in Harrisburg. Opened in August 2025, the four-acre property provides space for up to 60 families who choose outdoor living, along with access to case management and basic resources such as fresh water, cooking and charging areas, mail service, and sanitization facilities. This unique ministry meets people where they are while creating opportunities for stability, support, and hope.

Church Council Meeting

The next Church Council meeting will be on Thursday, October 15th at 6:30pm in the GUMC Parlor.
