OCTOBER MISSION FOCUS Carmel Ministries

Tribal Project - Far from the main campus, Carmel Ministries is working to build a center that will provide educational opportunities for the children of 4 remote villages. To bridge the gap until the center is complete, evening study sessions are starting in the villages. Funding is needed for the continuing construction of the center and for supplies in support of the evening study sessions. Good news! Thanks in part to your generosity, the wall around the center has been completed!

Sunday Altar Flower Sponsorships

A rosebud has been placed on the altar in honor of Jim and Gail Lighty's grandson, Ashton James Lighty, born September 20th!

We invite you to place flowers in the Sanctuary in memory or honor of a loved one or in honor of a special occasion. If you'd like to sponsor the flowers during Sunday worship, please contact the office or click [HERE](#).
