OCTOBER MISSION FOCUS

Carmel Ministries

Tribal Children Sponsorship Program - There are currently seven Tribal children sponsored by members of Grace Church, but there are many more who are still in need. Sponsorship provides clothing, lunches, school supplies, first aid and hygiene items as well as the opportunity to participate in special programs and events. If you are interested in sponsoring a Tribal child, please stop by the church office and speak with Jessica. There is a book with a picture and short bio of each child, as well as an information sheet detailing the program. Our goal is for all contributions in the form of new and renewed sponsorships, as well as education center construction and evening study session donations to reach Carmel Ministries before Christmas. Thank you again for your generosity which has made Grace Church a force for change in the lives of many!

Sunday Altar Flower Sponsorships

We invite you to place flowers in the Sanctuary in memory or honor of a loved one or in honor of a special occasion. If you'd like to sponsor the flowers during Sunday worship, please contact the office or click [HERE](#).
